[REDACTED] OGC, and I met with [REDACTED] Intelligence Community Staff, today to discuss strategy for implementing the Director's commitment to Tom Farmer, of the Intelligence Oversight Board, to settle the current ambiguity in the funding of [REDACTED] activities. We agreed to attempt to meet with Admiral [REDACTED] representatives as a next step and discuss alternatives with them. Our own preferred alternative at the moment is to attempt to seek an appropriate legislative amendment in the FY 1980 intelligence authorization bill. However, there are other alterna-
